

# IIM L - IPMX Class of 2019

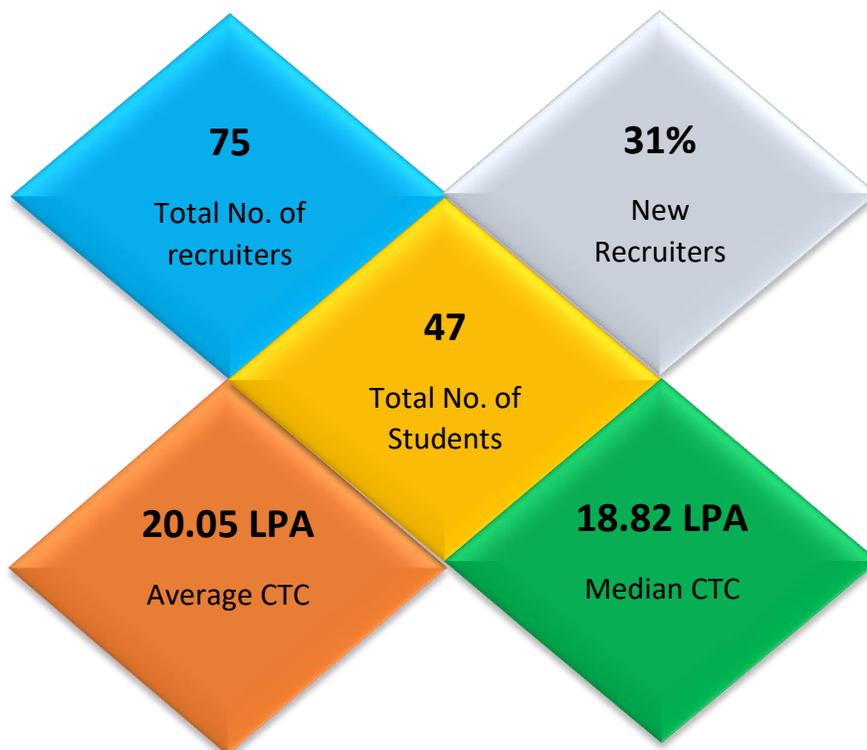

## PLACEMENT REPORT

In yet another successful season, IIM Lucknow's **International Programme in Management for Executives (IPMX)** registered unprecedented success with a record of 100% placement by the end of academic year 2019. Continuing the trend, the students of 11<sup>th</sup> batch of IPMX transcended into mid-to-senior Management roles, marking the acceptance of industry with the unique pedagogy of IIM Lucknow.

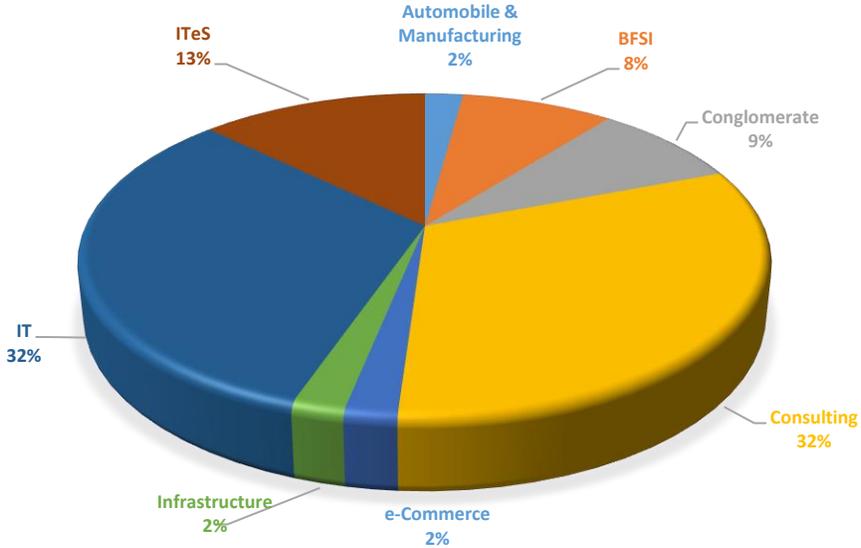

IIM Lucknow would like to extend its gratitude to its industry partners for their continued support in the form of Leadership Talks, Project Collaborations, Seminars, and Placements. The rigorous one-year program equips students to deal with challenging roles across industries. As a testimonial, the students were successful in receiving their coveted roles and positions, with **95%** of them achieving a higher role shift and **84%** of them achieving an industry shift.

Amongst the general managerial roles, the ones that stood out were Assistant Vice President, Techno Commercial GM, Program Manager, Financial Controller, Senior Consultant, Strategy Consultant, Senior Project Manager etc. The diverse background of the batch attracted partners across domains.

The batch witnessed a promising placement season with an average CTC of **20.05 Lakhs INR** and median CTC of **18.82 Lakhs INR**. A total of 75 companies, of which **31%** were new recruiters, participated in the placement process and rolled out offers to **94%** of graduates who availed the CDS services.
