1. The successful bidder's EMD will be discharged upon the bidder's submission of the performance Security. The Contractor shall deposit 10% of the estimated annual work value along with the acceptance of contractor as security in the form of Bank Guarantee (BG) in favour of Indian Institute of Management Lucknow Noida Campus and this will be refunded after the contract has been terminated or ended. In case of deficiency in service specifically pointed out by the Institute to the contractor, appropriate penalty will be levied by Director, IIML and will be adjusted against future bills and /or security deposit. The validity of the BG should be beyond Ninety (90) days of contract period.
2. Institute reserve the right to curtail or enhance the scope of work either by deletion of certain items entirely or by reducing/increasing the quantities of certain items as required and reviewed by the Institute from time to time and therefore, the final value of the work shall be worked out and paid to the extent of work actually carried out.
3. No Subletting of contract OR substandard work will be accepted in any case and no payment will be made.
4. Payment will be made quarterly after satisfactory completion of service on presentation of bill. No advance payment will be made.
5. All equipment, materials used in the work shall be brand new and free from manufacturing defects. The material requires replacement shall be of same quality/manufacturer and specifications.
6. All Central, State, Local laws & bye laws applicable must be observed by the contractor and Indian Institute of Management Lucknow Noida Campus will be kept indemnified of such payable by the contractor. The contractor will pay the wages to his staff as fixed by Central Govt. of India time to time including ESI and PF.
7. Rates shall be firm throughout the contract period. Rate are inclusive of payment of dues by the contractor to the Labor Department in accordance with the prevailing Labor law, including all statutory liability fixed by the Labor Commissioner or any other law enforcement agency.
8. A qualified Engineer/technician of the agency shall periodically visit, and inspect proper conditions of all the DG Sets. A report to this effect signed by the Engineer-in-charge shall be submitted along with bills.
9. Checking/replacement of spares, contactors, ACBs spares or any other type of electrical spares, checking and cleaning of electrical panels.
10. Checking/cleaning / replacement of all parts/components found defective.
11. Painting (spray/brush) of all equipment's, all DG Sets complete as required as per the direction of Engineer-in-charge by using ISI mark synthetic enamel paint once in year. Beside this in case of requirement in nature, as and when directed by engineer in charge.
12. Supervisor should be skilled with ITI pass/3 year Diploma Holder (Electrical/Mechanical) having of minimum five years' working experience in Operation and Maintenance of DG sets.
13. The skilled operation and maintenance staff should be ITI pass (Electrical/Mechanical) having of minimum two years' working experience in relevant area.
14. Records to be maintained
 - I. Maintenance register.
 - II. Logbook.
 - III. Individual Job card of each equipment.
 - IV. Any other registers as directed by Engineer in charge.
15. Since the services are specialized in nature, the contractor should deploy the, skilled/duly trained/qualified employees who can maintain comprehensively. In case any un-skilled found the contract shall deem the cancelled.
16. It's the duty of contractor to provide 24 X 7 services IIML-NC sub-station and in the event of breakdown it's his/her duty that Engineer/technician/operator/contractor/expert should reach the site at the earliest and also should restore the system to normal working conditions, failing which penalty will be imposed on contractor at the discretion of the competent authority of IIML NC.
17. The IIML-NC sub-station, HPC and all other installations are critical and will be functioning round o'clock

365 days in a year on all holidays and Sundays. The party/bidder shall have to take care of D.G system exigencies that may be encountered promptly.

18. During IIML-NC power shutdown complete PM of D.G Sets to be done.
19. All disputes arising out of the order will fall under jurisdiction of Lucknow Court.
20. If the contractor makes any damages to any DG Set or to the property of the Institute, during the course of execution of the work, the total cost will be recover by the contractor. The Director, IIML OR, DEAN NC, OR the nominated committee/person have sole discretion to decide the penalty amount that will be commensurate with any deficiency in work of the agency.
21. Before the commencement of the work, the contractor shall have to sign the inventory of all the equipment's and accessories being acceptable of physical existence and normal working of the same and all the new Components/control/accessories to be provided during the course of maintenance shall be the responsibility of the contractor within the quoted rates.
22. The contractor will be fully responsible for the complete safety norms of his workers/staff during the performance of their duty in the institute, IIM Lucknow Noida Campus. In case of any mishap/accident, the contractor will take full responsibility relating to pay compensation/medical care to any of the staff.
23. Successful bidder will be required to enter into an agreement with the IIML-NC on a Stamp Paper of Rs 100/- (Rupees One Hundred only). The Letter of Award of the Contract, Terms & Condition contained in this Tender Document and the indemnity bond shall collectively form part of the agreement.
24. The IIML-NC (Institute) reserves the right to accept or reject any or all tenders received by it without assigning any reason what-so-ever. The Institute also does not bind itself to accept the lowest bid.
25. No support of man power, material, cartage or transport etc. will be provided by the Institute. All these have to be arranged by the contractor at their own cost.
26. IIML-NC reserves the right to obtain feedback from the previous/present clients of the Tenderer and also depute its team(s) to inspect the site(s) at present contract(s) for on-the-spot firsthand information regarding the services provided by the Tenderer. Decision of IIML-NC with regard to award of the contract will depend upon the feedback received by it from the previous/and present clients and also from its team(s) deputed for the purpose. The decision of the Institute in this regard will be final and binding on all bidders.
27. If the tenderer fails to start the work within 10 days of receipt of letter of acceptance, the work shall be withdrawn and EMD deposit will be forfeited.
28. For Monitoring and performance of the contract, all maintenance schedule will be issued by Engineer In-charge, IIML-NC for which proper accounting shall be kept. All dismantled/worn out materials will be returned to IIML-NC.
