 - **Payee Name: INDIAN INSTITUTE OF MANAGEMENT LUCKNOW-NOIDA CAMPUS**
 - **Banker Name: AXIS BANK LTD.**
 - **Account Number: 022010100356060**
 - **IFSC Code :UTIB0000022**Scanned Copy of receipt of the deposited as EMD of Rs. 15,000/- (Rupees Fifteen Thousand only) should be uploaded on www.eprocure.gov.in.
6. The tender document without supported document/ without required earnest money will be rejected. The firm registered with NSIC/MSME should attach a VALID document regarding exemption of EMD. Further in that case the firm may be exempted only from depositing EMD but in case of awarding the contract/order the vendor has to deposit a Performance Security deposit
7. Initially, the contract will be awarded for one year. After satisfactory completion of One year, the contract may be extended for a further period (1+1+1) on mutual consent of the Institute and the contractor. The total period of the contract would be a total of four years, however, both the Institute and the contractor shall have the right to end the contract by serving notice of three months in advance in writing to the other party. Also if the contractor is found to be grossly negligent or inadequate in the execution of the work, the Institute shall have full right to notify the contractor of the gross defects and to terminate the contract at any time during the contract period without any prior notice.
8. Before uploading the duly filled tender document on www.eprocure.gov.in please mark signature (Contractor (or) His authorized signatory) with the seal on each page. The last date and time for submission of the tender are 5th April 2021 (Monday) till 3:00 PM **only through online mode.** (through CPPP portal)

Thanking you,

For Indian Institute of Management Lucknow
Noida Campus

INTRODUCTION

Indian Institute of Management Lucknow (IIM Lucknow) an autonomous academic Institute. IIM Lucknow took the lead in establishing a satellite campus at Noida, a suburb of New Delhi in the National Capital Region. The Noida campus has a full-time dedicated pool of faculty having in-campus residence facilities for both faculty and the students. The campus has been developed as a center of excellence in the area of executive education. It is the 'IIML way' of contributing to the industry and realizing its vision to remain at the forefront of management thinking and education.

IIM Lucknow Noida Campus Invites E-Tenders from reputed agencies/firms for Comprehensive Annual Services and Maintenance Contract (**CASMC**) of one (1) 500 KVA and one (1) 320 KVA DG SET of VOLVO PENTA MAKE at IIM, Lucknow Noida Campus Plot B-1 Sector -62 Noida UP 201307. The general terms & conditions of the service contract are also enclosed which has to be duly signed indicating the acceptance by the tenderer as under: -

ELIGIBILITY CRITERIA

1. Eligible electrical contractor born on the approved list of CPWD, BSNL, MES, PWD, Central PSUs/ State PSUs in the appropriate class or authorized dealer (sales & services) of Volvo Penta DG sets. The registration of the contractors should be valid on the last date of submission of tenders.
2. The Firm should have GST registration.
3. The Firm should have a minimum experience of 05 (Five) years in the line of Comprehensive Annual Services and Maintenance Contract of 500 KVA and 320 KVA DG SET of VOLVO PENTA MAKE. Out of Five years' experience, the firm should have at least 03 years of experience in Govt. Organization/Semi Govt./State Govt. IITs, IIMs, State/Central University in providing Comprehensive Annual Services and Maintenance Contract.
4. Annual IT Return of last three financial years (2017-18, 2018-19, 2019-20) duly audited by Chartered Accountant should be over Rs.50 Lac, each year. The vendor will have to submit an Audited Balance Sheet in support.
5. A Certificate/Undertaking on the letterhead of the Company to the effect that the bidder has not been blacklisted anywhere in India by any organization. A self-certification to this effect is required to be enclosed

SELECTION METHOD

Only those bidders, who meet the above eligibility criteria and qualify the Technical Bid (Annexure-A) in all respects would be considered as Technically qualified bidders. Bidders are advised to fill their rates as per attached in Financial Bids Annexure-B. Financial Bids will be opened only by the Technically Qualified bidder.

The bidder who is meeting all technical aspects and quoting the best quote in all four years (in Totality) in Comprehensive Annual Services and Maintenance Contract of one (1) 500 KVA and one (1) 320 KVA DG SET of VOLVO PENTA MAKE will be treated as the successful bidder to award work.

In case one or more firms are quoting the same basic rate will be finally evaluated based on the highest annual turnover, feedback by clients.

TERMS & CONDITIONS OF CONTRACT

1. The successful bidder's EMD will be discharged upon the bidder's submission of the Performance Security. The Contractor shall deposit 10% of the estimated annual work value along with the acceptance of the contractor as security in the form of a Bank Guarantee in favor of the Indian Institute of Management Lucknow Noida Campus and this will be refunded after the contract has been terminated or ended. In case of deficiency in service specifically pointed out by the Institute to the contractor, an appropriate penalty will be levied by Director, IIML and will be adjusted against future bills and /or security deposit. The validity of the BG should be beyond Ninety (90) days of the contract period.
2. Payment will be made quarterly after satisfactory completion of service on the presentation of the bill. No advance payment will be made.
3. Rates shall be firm throughout the contract period. Rate is inclusive of payment of dues by the contractor to the Labor Department by the prevailing Labor law, including all statutory liability fixed by the Labor Commissioner or any other law enforcement agency.
4. All equipment, materials used in the work shall be brand new and free from manufacturing defects. The material that requires replacement shall be of the same quality/manufacturer and specifications.
5. All Central, State, Local laws & bye-laws applicable will be observed by the contractor and the Indian Institute of Management Lucknow Noida Campus will be kept indemnified of such payable by the contractor.
6. Institute reserve the right to curtail or enhance the scope of work either by deletion of certain items entirely or by reducing/increasing the quantities of certain items as required and reviewed by the Institute from time to time and therefore, the final value of the work shall be worked out and paid to the extent of work carried out.
7. The Director, IIML will at his/her sole discretion to decide the penalty amount that will be commensurate with the deficiency in the work of the agency.
8. A qualified Engineer/technician of the agency shall periodically visit, and inspect the proper conditions of all the DG Sets. A report to this effect signed by the Engineer-in-charge shall be submitted along with bills.
9. Checking/replacement of spares, contactors, ACB,s spares, or any other type of electrical spares, checking and cleaning of electrical panels.
10. Checking / cleaning / replacement of all parts/components found defective.
11. Painting (spray/brush) of all equipment, all DG Sets complete as required as per the direction of Engineer-in-charge by using ISI mark synthetic enamel paint once in a year or as and when directed by the engineer in charge.
12. **The supervisor should be** skilled in operation and maintenance and shall be an ITI pass /3-year Diploma Holder (Electrical/Mechanical) having of minimum five years' experience in the relevant area.
13. Since the services are specialized and the contractor will cause deploying the skilled/duly trained/qualified employees who can maintain comprehensively. In case any un-skilled found the contract shall deem the canceled.

14. The skilled operation and maintenance staff shall be ITI pass (Electrical/Mechanical) having a minimum of one years' experience in the relevant area.
15. Records to be maintained
 - I. Maintenance register.
 - II. Logbook.
 - III. Individual Job cards of each piece of equipment.
 - IV. Any other registers as directed by the engineer in charge.
16. The IIML-NC sub-station, HPC, and all other installations are critical and will be functioning around o'clock 365 days a year on all holidays and Sundays. The party/bidder shall have to take care of D.G system exigencies that may be encountered promptly.
17. The contractor must provide 24 X 7 services IIML-NC sub-station and in the event of a breakdown, it's his/her duty that Engineer/technician/operator/contractor/expert should reach the site at the earliest and also should restore the system to normal working conditions, failing which penalty will be imposed on the contractor at the discretion of the competent authority of IIML NC.
18. During IIML-NC power shutdown complete PM of D.G Sets to be done.
19. In case of any mishap/accident, the contractor will take full responsibility relating to pay compensation/medical care to any of the staff.
20. For the performance of the contract, all maintenance schedules will be issued by IIML-NC for which proper accounting has to be kept. All dismantled/worn-out materials will be returned to IIML-NC.
21. All disputes arising out of the order will fall under the jurisdiction of Lucknow Court.
22. If the contractor makes any damages to any DG Set or the property of the Institute, during the execution of the work will be recovered by the contractor.
23. Before the commencement of the work, the contractor shall have to sign the inventory of all the equipment's and accessories being acceptable of physical existence and normal working of the same and all the new Components/control/accessories to be provided during maintenance shall be the responsibility of the contractor within the quoted rates.
24. The contractor will be responsible for the complete safety of his workers/staff during the performance of their duty in the institute, IIM Lucknow Noida Campus.
25. The contractor will pay the wages to his staff as fixed by the Central Govt. of India from time to time including ESI and PF.
26. The successful bidder will be required to enter into an agreement with the IIML-NC on a Stamp Paper of Rs 100/- (Rupees One Hundred only). The Letter of Award of the Contract, Terms & Condition contained in this Tender Document and the indemnity bond shall collectively form part of the agreement.
27. Tender(s) shall be liable to be rejected if the requisite information sought in the Tender Document is not filled up properly and correctly in the manner specified above.
28. The IIML-NC (Institute) reserves the right to accept or reject any or all tenders received by it without assigning any reason what-so-ever. The Institute also does not bind itself to accept the lowest bid.
29. No support of manpower, material, cartage or transport, etc. will be provided by the Institute. All these have to be arranged by the contractor at their own cost.
30. IIML-NC reserves the right to obtain feedback from the previous/present clients of the Tenderer and also deposes its team(s) to inspect the site(s) at present contract(s) for on-the-spot firsthand information regarding the services provided by the Tenderer. The decision of IIML-NC with regard to the award of the contract will depend upon the

feedback received by it from the previous/and present clients and also from its team(s) deputed for the purpose. The decision of the Institute in this regard will be final and binding on all bidders.

31. If the tenderer fails to start the work within 10 days of receipt of the letter of acceptance, the work shall be withdrawn and the EMD deposit will be forfeited
